

Pre-conference workshop: Tools for sharing minor placenames (DCU, Thursday 14 April 2016)

Fiontar, DCU, which develops and maintains the Placenames Database of Ireland, logainm.ie, in collaboration with the Placenames Branch of the Department of Arts, Heritage and the Gaeltacht, is organising a half-day workshop to discuss the sharing of minor placenames, in conjunction with the [SNSBI conference](#). Specifically, Meitheal Logainm.ie, which is a new tool for pooling, storing and sharing placename information, will be demonstrated. (Meitheal Logainm.ie is under construction, and will be available, with sampla data, by the end of 2015.) This workshop will be of particular interest to local placename and local history groups and to individual researchers who may wish to contribute to the Meitheal, as well as to international society members who would like to develop similar resources.

The workshop will be held through English. Confirmed speakers include

- David Parsons (University of Wales) and Owain Roberts (National Library of Wales), who will be speaking about placename research in Wales (title TBC)
- Joan Mullen, Project Co-ordinator, [Meath Field Names Project](#) (title TBC)
- Brian Ó Raghallaigh, Fiontar, who will be giving a demonstration of Meitheal Logainm.ie
- Pádraig Ó Cearbhaill, Placenames Branch (title TBC)

Ceardlann réamhchomhdhála: Uirlisí chun mionlogainmneacha a chomhroinnt (DCU, Déardaoin 14 Aibreán 2016)

Tá ceardlann leathlae á reáchtáil ag Fiontar, DCU, mar chuid de [chomhdháil SNSBI](#), chun comhroinnt mionlogainmneacha a phlé. Déanann Fiontar forbairt agus cothú ar Bhunachar Logainmneacha na hÉireann, logainm.ie, i gcomhar leis an mBrainse Logainmneacha (an Roinn Ealaíon, Oidhreacht agus Gaeltachta). Beidh Meitheal Logainm.ie á léiriú ag an gceardlann. Is uirlis nua í an Mheitheal chun sonraí logainmníochta a bhailiú, a stóráil agus a roinnt. (Tá Meitheal Logainm.ie á forbairt faoi láthair agus beidh sí ar fáil mar aon le sonraí samplacha faoi dheireadh 2015.) Beidh an cheardlann seo suimiúil do chumann áitiúla logainmneacha agus staire, do thaighdeoirí ar mian leo cur leis an Mheitheal, agus do bhaill de chumann idirnáisiúnta ar mhaith leo acmhainní den chineál céanna a fhorbairt.

Beidh an cheardlann á reáchtáil trí Bhéarla. Seo a leanas roinnt de na haoichainteoirí deimhnithe:

- David Parsons (Ollscoil na Breataine Bige) and Owain Roberts (Leabharlann Náisiúnta na Breataine Bige), a labhróidh faoi thaighde logainmneacha sa Bhreatain Bheag (teideal le deimhniú)
- Joan Mullen, Comhordaitheoir Tionscadail, [Ainmneacha Páirce na Mí](#) (teideal le deimhniú)
- Brian Ó Raghallaigh, Fiontar, a léireoidh Meitheal Logainm.ie
- Pádraig Ó Cearbhaill, an Brainse Logainmneacha (teideal le deimhniú)
